

Track-mounted adjustable spotlights

Strike S is a stylish track-mounted luminaire with discreet in-track control gear and is the smallest in the Strike spotlight range. The low glare optics provide a smooth distribution and are available in either narrow (26°), wide (37°) or flood (53°) beams.

Supplied with CRI 90 LEDs for excellent colour quality, in either 3000 K or 4000 K as standard. Rotatable through 350° azimuth and 90° vertically for a full range of movement makes Strike S a versatile lighting option for the space. For use with the Track system.

Applications: Display & feature, retail, reception areas, hospitality, art galleries, museums, libraries

- Die-cast aluminium body
- 350° azimuth adjustment
- 90° vertical adjustment
- Low glare optical control
- Optimised beam distribution using lens for reduced spill light
- Fitted with CRI 90 LEDs, suitable for retail applications
- Suitable for installation into Global track

IP20

Up to 123.1 LL/CW
