

Recessed picture luminaire with dual light engine

Flexview is a recessed lay-in luminaire with a dual light engine combining low power edge-lit technology for its picture window with a separate sophisticated, highly efficient low glare optics for main space illumination. Flexview allows creativity, enhancing the look and feel of a space whilst still providing quality functional lighting.

Applications: Teaching spaces, Offices, Corridors, Waiting rooms, Break-out spaces, Reception areas, Retail, Windowless rooms.

- Dual light engine design, perimeter light engine for main illumination and secondary light engine for the picture window
- Black 'invisible' light source, metallised low glare and white reflector options
- Wattage selectable during installation
- Edge-lit panel remains at constant brightness (does not dim)
- Image screen printed onto 1.5 mm polycarbonate TP(a) rated fire-retardant panel
- Multiple kit options available, all with the primary light engine only around the perimeter of the array

IP20

Up to 105.7 LL/CW

Specification

| | | | |
|-------------------------------|----------|-----------|------|
| Mounting | Recessed | IP rating | IP20 |
| Max presence detection height | 8 m | | |

Lighting

| | | | |
|--------------|----------------------|----------|-------------------|
| Lumen output | 1,630 lm - 11,025 lm | Efficacy | Up to 105.7 LL/CW |
|--------------|----------------------|----------|-------------------|

Emergency data

| | | | |
|------------------------|-----------------|-----------------------|-----------------------------|
| Emergency lumen output | 259 lm - 370 lm | Emergency type | Maintained |
| Emergency duration | 3 hours | Battery specification | Nickel Metal Hydride (NiMH) |

Power

| | | | |
|-----------|--------------|---------------|--------------|
| LED power | 20 W - 148 W | Circuit power | 24 W - 164 W |
|-----------|--------------|---------------|--------------|

LED characteristics

| | | | |
|--------------------|-----------------|--------------------|--------|
| CRI | 80+ | Colour temperature | 4000 K |
| Rated life (hours) | 100 K - L80/B10 | | |

Compliance

| | | | |
|-------------------------|---|----------------------|-------|
| UKCA | Yes | CE | Yes |
| Energy efficiency class | This product contains a light source of energy efficiency class B | Thermoplastic rating | TP(a) |

Dimensions

Per Flexview module

NOTE: Suitable for exposed T-Bar lay-in ceilings only
